

## ARCHER LUBRICANTS from STAR Energy

Today's farmers choose Archer Lubricants for the same reasons that their fathers and grandfathers did. Heavy duty equipment found on the farm, in construction, and on the highways is much more complicated than before. Archer's products are designed for today's complex applications. Archer's broad line of products are complex mixtures that are still built with superior base stocks and the highest quality additives. Contact your STAR Energy Specialist for more information and personalized recommendations.

Talk to your STAR Energy representative about any of these Archer Lubricants products

## DIESEL ENGINE OILS

### Premium Arpeco™ 15W-40 Engine Oil

Ultimate protection from high quality base products and carefully chosen additives

### Arpeco™ 15W-40 Extra Life Heavy Duty Engine Oil

Use for heavy fieldwork and cold weather use

### Arpeco™ 15W-40 Heavy Duty Engine Oil

Designed for heavy duty, long engine hour use

### Archer Gold 15W-40 Engine Oil™

Fully compatible with either conventional or synthetic engine oils

### Archer Chem Lube™ – many grades available

Longer drain intervals, increased fuel efficiency

## GASOLINE ENGINE OILS

### Archer Gold Engine Oil™ – many grades available

Fully compatible with either conventional or synthetic engine oils

### Archer Supreme Engine Oil™ – many grades available

Excellent oil pumpability during cold weather startups

### Archer High Torque 20W-50 Engine Oil™

Designed for competition engines and/or use in towing and high RPM use

### Archer Competition Plus™

Can be used in engines burning either gasoline or alcohol

### Archer Chief Engine Oil™ – many grades available

For hot and cold weather extremes

### Archer GLP Special Engine Oil™ – many grades available

For natural gas or liquid propane engines

### Archer Two-Cycle Oil TC-W3™

Reduces plug fouling and engine deposits

### Archer Non-Detergent Oils™ – many grades available

## TRANSMISSION FLUIDS

### Archer Power Tran Fluid™ – many grades available

Superior oxidation stability, rust control and elastomer compatibility extend engine life

### Archer Multi-Purpose ATF™

Designed to provide smooth, quiet shifts and minimum wear

### Archer Low-Temp Uni-Fluid XP™

Your best choice for all of your transmission, differential, drive gear, steering brake, wet brake and hydraulic fluid needs

## GREASES

### Archer Super Solidified NLGI™

– many grades available

For use on antifriction ball and roller bearings and conventional sleeve bearings

### Archer Gold Lubri-Tac™

Will not sling off under shock loading conditions

### Archer Gold Lubri-Shield™

Outperforms the competition; won't wash out in water

## GEAR LUBRICANTS

### Archer All Gear Oil™ – many grades available

Provides a smooth, quiet performance with superior wear protection

### Archer Gold SAE 50 Trans-Fifty™

Designed for severe weather and heavy-duty manual transmissions that require a straight mineral oil

### Archer Gold 75W-90 Synthetic Gear Oil™

Extends axle life, improves fuel economy and lowers lube operating temperature

## HYDRAULIC OILS

Archer offers a full line of high-performance lubricants for your full range of agricultural and industrial needs.

### Turbine Gear Oil

### Archer Turbine Drip Oil™

### Archer Hydraulic Oil™

### Milking Machine

### Hi Temp Vacuum Pump

### Archer Artic-Flo Hydraulic Fluid™

## SOYBEAN BASED PRODUCTS

### Archer Soy Guard Plus®

High performance diesel fuel additive

### Archer Soy Spray™

Promotes uniform herbicide application and improved target coverage of herbicide sprays

### Archer Kleenease Solvent™

Industrial strength solvent

### Archer Quick Release™

Asphalt release agent with superior slipping characteristics

### Archer Soy-Safe Bar and Chain™

Designed for cold weather use

### Archer Graffiti Remover™

Works on brick, concrete block, metal or glass

### Archer Soy T-Drip™

Excellent lubricant to protect irrigation pumps

## MISCELLANEOUS

### Archer Neatsfoot™

### Archer Antifreeze™

### Archer CB Antifreeze™

### Archer Bar and Chain™

### Archer Brake & Parts Cleaner™

### Archer Chain and Cable Lube™

### Archer Clean-Vu Window Glass Cleaner™

### Archer Fuel-Flo™

### Archer AP-16X™ Spray Lubricant

### Archer Rustop3™ with Steadfast™

### Archer Mineral Oil™

### Archer Pumice Power Hand Cleaner™

### Archer Pumice Power Lotion Soap™

### Archer UFA Fuel Additive™

### Archer GTA™

### Archer SPL Plus Spray Penetrating Lubricant™

### Archer Steam Cylinder Oil™

### Archer Super Cleaner™

### Archer Tough Towels™
