

This fuel contains

SURE-FLOTM ULS

Fuel at all Retail fuel locations are blended with SURE-FLO

Diesel Cold Flow Improver

- ✓ Delivers more power and fuel efficiency than traditional fuel blends
- ✓ Contains heavy wax modifiers to prevent filter or fuel line plugging
- ✓ Meets equipment manufacturers' fuel lubricity requirements
- ✓ Contains moisture control chemistry to prevent ice crystals from forming
- ✓ Reduces fuel system corrosion
- ✓ Lowers winter fuel maintenance costs
- ✓ Keeps fuel flowing by preventing wax crystals from settling

SURE-FLO ULS... operate your engines at peak efficiency!
